LIBRARY GUIDE

WELCOME TO THE LIBRARY FOR THE OCEAN & EARTH

JAMSTEC has been engaged in a variety of research and development activities as one of Japan's research institutes covering a broad spectrum of marine science and technology.

The special library is located in the Earth Science Museum at the Yokohama Institute for Earth Sciences. The collections include publications authored by our scientists, scientific journals, and children's books. Anyone can borrow them in the 2nd floor library. By contacting us in advance, you can also use the materials in the staff-only area on the 3rd floor or the library at Yokosuka Headquarters.
